## Boost your team's health

**Reduce sick leave by more than 40%**

Strong evidence shows that employee care boosts organisational health. Investing in programs to enhance staff health and wellbeing makes good business sense.

### Flu Vaccinations

Influenza causes approximately 18,000 hospitalisations and 300,000 GP consultations in Australia each year and 10% of all workplace absenteeism associated with illness is due to influenza\*.

### Annual vaccination is the single most effective measure to prevent Influenza

We provide Flu Vaccinations to businesses, community service organisations and large groups in the convenience of your work place.

### Your flu vaccination package includes:

- ▲ Qualified nurse
- ▲ Easy to use online booking system
- ▲ Automatic appointment confirmations and reminders
- ▲ Clever Care NOW Flu Vaccination program manager
- ▲ Bookings tailored to your workplace
- ▲ Workplace participation report

Clever Care NOW is a registered charity. By keeping your team healthy and supporting us, we are able to give more back to the community.

# Business Health

## Boost your team's health

Clever Care NOW provides nursing, patient transport and day tripper programs.

Our community health philosophy extends to the business community. We work with businesses, community service organisations and large groups to enhance their workplace wellbeing strategies.

Your team's physical health is important to us. We strive to educate businesses and their teams on ways to live a healthier life.

### Health Checks

Clever Care NOW is very aware of the effects of heart disease and diabetes.

We offer business health checks in the comfort of your work place, by a qualified nurse including:

- ▲ blood pressure
- ▲ blood sugar
- ▲ cholesterol testing

### Flu Vaccinations

Avoid flu-related absences and loss of productivity.

Help protect your team from Influenza with an onsite Flu Vaccination program.

Secure your 2020 Flu Vaccination booking now.

Vaccinations offered from March to June.

### Skin Checks

Two in three Australians are diagnosed with skin cancer by the time they are 70\*.

We aim to educate people on the importance of prevention and early detection.

Our onsite business skin checks are convenient, seamless and informative for your employees.
