60 YEARS OF CARING

Clever Care NOW provides mobile home nursing, social support and assisted transport services for the growing needs of the community.

We also offer business and community health checks, in home mobile physiotherapy and pre and post operative nursing care.

Our connections across the community services sector allows us to refer to other community and allied health services including nutrition and meals, community transport, home modifications and more.

ASSISTED TRANSPORT

We strive to ensure our community has the mobility and freedom to connect, stay social and participate in everyday activities or experiences.

Our non emergency transport service assists people who are frail, aged, wheelchair or bed bound to attend appointments, outings and family events such as weddings, funerals or end of life experiences.

The fully equipped, airconditioned and specially modified vehicles and equipment offer comfortable door to door travel across Sydney and interstate.

Mobility aids and equipment are available to ensure the most comfortable and tailored care is delivered during transportation.

Our thoughtful and caring qualified nursing professionals are on-hand during each trip for assistance if needed.

OUR MISSION

For 60 years, Clever Care NOW, a not for profit organisation, has proudly delivered a professional and caring service that gives back to the community.

We aim to improve the health, accessibility, social and mental wellbeing of local residents.

We provide a range of services including community home nursing, social support and assisted transport which

- ▲ Enables mobility and accessibility
- ▲ Supports engagement in the local community
- ▲ Inspires a feeling of being valued
- ▲ Creates opportunities for friendship and connection

We are proud to support people, particularly those over 65 years, to live independently while being cared for in their own home.

Each day we endeavour to deliver a professional and high quality service with compassion and respect.

We live our values of

- ▲ Dedication
- ▲ Integrity
- ▲ Compassion
- ▲ Excellence

HOSPITAL TRANSPORT

Clever Care NOW provides a reliable, safe and flexible service to transport people to and from hospital pre admissions and following discharge.

If needed, our home nursing team is available to provide continuity of care at home during recovery.

Upon discharge we can offer six weeks post acute nursing care without charge. We also offer nursing care through approved Aged Care Package providers and to private patients.

MEDICAL APPOINTMENTS

Our nurses can liaise with doctors, specialists and health provider clinics to ensure ample time is scheduled to arrive at appointments on time.

The door to door service allows travel to and from home, aged care facilities or nursing homes to the chosen health professionals.

EVENTS & FUNCTIONS

We provide the best possible level of care to help elderly or wheelchair bound loved ones attend special occasions such as weddings, birthdays, funerals and special events.

Weddings

There are many things that make a wedding special and none more so than having a grandparent, elderly or wheelchair bound loved one with you on the day.

We can transport grandparents or elderly loved ones to weddings in our specially modified vehicles accompanied by professional and qualified nurses to offer extra assistance if required.

We plan the assisted travel with the bride, groom or family to ensure the utmost care is taken for the loved one's travel, access to the venue and ongoing care throughout the celebration if required.

We can travel across Sydney, New South Wales and interstate.

Social Outings

Being socially active and participating in the community is vital for overall health and wellbeing.

Our assisted transport service is available for shopping trips, lunch, dinner and other social outings.

Ask us about our ad hoc social outing 'stand by' rates if time slots become available.

We provide assisted transport to

- ▲ Appointments
- ▲ Social outings
- ▲ Weddings
- ▲ Funerals
- ▲ End of life experiences

Funerals

Farewelling family or friends at funerals is an emotional time.

We help families ensure their loved ones can be part of that time, remembering and honouring those most dear to them.

Our caring staff provide transport and offer support during the time of bereavement.

Final wish

We offer transport for those nearing the end of their life to visit family or a special place.

We can help make their final wish, one to be cherished by all.

Supported by our professional nurses, we take care to ensure comfort during these special moments.
